

■ **General Education Courses**

41431 ENG 106W- 73 Intro. To Fiction (Writing Intensive) 3 SH

W 5 – 7:30 p.m.
I. Fisher Founders Hall 208
Study of representative novels and short stories in order to develop students' abilities to read prose fiction carefully. The course informs students' understanding of how the literary form suits both an author's and an age's aesthetic.
Prerequisite: WRT 101 or equivalent or placement exam.
General Education: Humanities/Literature.

41616 HPX 292-71 Naturopathy, Homeopathy, Herbs and Nutritional Self-Care 1 SH

R (4/1 – 5/20) 6:35 – 9:05 p.m.
J. Dreyer Founders Hall 204
This course will examine the areas of naturopathy, homeopathy, herbs and nutritional self-care.

41591 HIS 270-72 Christianity 3 SH

W 5 – 7:30 p.m.
B. Needle Founders Hall 202
A dialogue analyzing Christianity as a cultural, political and social phenomenon and assessing its transcendent value for the individual. *General Education:* Humanities/Western History.

40469 MAT 115-71 Intro. To Biostatistics 3 SH

R 4 – 6:30 p.m.
Staff Founders Hall 205
Primary focus is on statistical comprehension of the research aspects of current nursing, medical and other health-related literature through an understanding of statistics utilizing the computer. Not open to students who have passed MAT 120.
Prerequisite: "C" or higher in MAT 100 or appropriate test score. *General Education:* CS/Mathematics.

41612 PS 104-76 World Governments, Economies and Cultures 3 SH

M 5 – 7:30 p.m.
P. Wagner Founders Hall 202
Political, historical, economic and socio-cultural perspectives are used to examine the problems and prospects of the contemporary world. Course topics will be selected in terms of current global issues and developments. *General Education:* Social Sciences.

41640 PSY 260-71 Health Psychology 3 SH
T 6 – 8:30 p.m.
F. Halligan Founders Hall 208

Health psychology is the application of the science of psychology to the promotion and maintenance of health. A biopsychosocial model of human behavior is presented which explores the development of both healthy behaviors such as exercise and stress management and risk-compromising behaviors such as smoking, drug abuse, unhealthy eating, and dangerous sexual behavior. Topics covered include stress and coping; pain management; psychological factors in managing chronic and terminal illness; psychoneuroimmunology; and the psychology of lifestyle interventions aimed at preventing diseases such as heart disease, hypertension, stroke and diabetes. **Prerequisite:** PSY 100. *General Education:* Behavioral Sciences.

■ **Business Courses**

40532 MGT 377-71 Supply Chain Management 3 SH

R 5:25 – 7:55 p.m.
C. Chuang Founders Hall 202
This course emphasizes a strategic, integrated approach to managing supply of materials, services or information. Students will learn innovative, process-oriented methods of contributing effectively to the organization's goals and improving the company's competitive advantage in a changing, entrepreneurial and global business environment.
Prerequisite: MGT 320 and GPA 2.3 or higher.

41573 MGT 405-71 Small Business Entrepreneurship 3 SH

T 5:25 – 7:55 p.m.
F. Maidment Founders Hall 202
This course addresses entrepreneurship as it relates to initiating new business ventures. Special attention is given to developing workable ideas, funding, marketing and structuring new ventures as they support the development of a formal business plan. Entrepreneurial activities within large business organizations are also highlighted. **Prerequisite:** ACC 202, FIN 310, MKT 301, and GPA 2.3 or higher.

40896 MGT 415-71 Strategic Management 3 SH
T 8 – 10:30 p.m.
P. Assenza Founders Hall 202

The strategic management process is employed to formulate, implement and evaluate strategies in a variety of organizations under conditions of uncertainty. This capstone course emphasizes multidisciplinary approaches to complex organizational problems. The development of mission statements, SWOT analysis, the assessment of alternative courses of action, and the affective coupling of strategy and structure are also covered in detail. **Prerequisite:** senior standing and GPA 2.3 or higher.

■ **Nursing Courses: Open To RN Students Only**

NUR 221 Physical Assessment Across the Life Span 3 SH

41810 Section 03

R 4 – 5:50 p.m.
J. Palladino Founders Hall 210
R (lab) 6 – 8:50 p.m.
J. Palladino Founders Hall 210

40730 Section 71

M 4 – 5:50 p.m.
L. Dalessio Founders Hall 210
M (lab) 1 – 3:50 p.m.
L. Dalessio Founders Hall 210

40731 Section 72

M 4 – 5:50 p.m.
L. Dalessio Founders Hall 210
M (lab) 6 – 8:50 p.m.
Staff Founders Hall 210
Introduces concepts and techniques of physical assessment in the context of the nursing process. Laboratory experiences provide students with the opportunities to develop examination skills in preparation for clinical courses (2 hrs. lecture; 3 hrs. laboratory).

40757 NUR 336-71 The Human Health Experience 4 SH

M 6 – 9:30 p.m.
E. Abate Founders Hall 204
Exploration of the human experience from an integrated perspective, with a focus on human responses to health, illness, and treatment, and corresponding nursing responses to foster healing, promote health, and maximize potential. Attention is given to developmental and cultural influences on human responses. Teaching-learning interventions and alternative/complementary therapies are selected as examples of nursing approaches to enhancing the adaptive response of clients. Case studies and clinical projects provide a means to apply theory to practice. **Prerequisite:** NUR 220, 221, 230 and 361 or permission of the instructor.

40758 NUR 361-71 Research Process in Nursing 2 SH

M 4 – 5:50 p.m.
J. Aina Founders Hall 204
Exploration of the principles and concepts underlying the research process as it is used in conducting empirical nursing research studies. Analysis and critique of extant nursing research, with an emphasis on evaluation of research for application in practice. **Prerequisite:** admission to the nursing major, MAT 115 and 120. **Corequisite:** NUR 255.

40760 NUR 374-71 Leadership and Management in Contemporary Nursing Practice 2 SH

T 4 – 5:50 p.m.
J. Palladino Founders Hall 204
Application of the principles of leadership and management within the context of professional nursing practice. Roles of the professional nurse as assertive leader, manager of resources and patient care, and change agent are explored. **Prerequisite:** NUR 255. **Corequisite:** NUR 335.

40764 NUR 375-71 Nursing Practicum 5 SH

T (clinical TBA) 6 – 7:50 p.m.
B. Piscopo Founders Hall 210
Capstone course in the practice of professional nursing, addressing issues related to entry into professional practice and the contextual issues surrounding health care delivery. Clinical experiences allow students to practice the full role of the professional nurse under the guidance of a clinical preceptor and faculty mentor. (1 hr. lecture, 1 hr. seminar, 135 hrs. clinical laboratory) **Pre- and corequisites:** all required registered nursing program courses.

Visit online.wcsu.edu/openclose for the most up-to-date course listing.

Registration Information — Spring 2010

Register in person at:
750 Chase Parkway
Founders Hall 129
Waterbury, CT

New students born after Dec. 31, 1956 must have a measles immunization form completed by their physician before they will be allowed to register.

Tuition and Fees Payment Deadline

WestConn uses EZpay, an e-billing system, which means all of your bills are available on-line and you will not receive a paper bill. Please note these important dates: Spring 2010 bills will be posted online **Nov. 20, 2009**. Payment in full will be due on **Dec. 18, 2009**. Students who register on or after **Dec. 18, 2009** will be expected to pay at the time they register.

Avoid disappointment – Register early!

We cancelled the class because we didn't know you wanted it! Please register at least two weeks in advance of the start date of classes (January 8, 2010).

Now Open!

WestConn at Waterbury's Computer Center is now open. Visit our Web site (wcsu.edu/waterbury) for lab hours.
